I woke up in the morning
And all that I could see
Fish are looking at me
All these slimey things
Floating to the bathroom
To find some of my friends
Really what I hoped for
The dream should never end
Underwater people
Underwater people
Underwater people
Underwater people
Went down to Tulagi's
To find some of my friends
Underwater people
Around me 'till the end
Swimming in a fish bowl
Quite a funny thing
All these freaks around you
All my friends are fish
Underwater people
Underwater people
Underwater people
Underwater people
Woke up underwater
All that I could see
Tulagi freak around me
All my friends and me
Underwater people
Underwater people
Underwater people
Underwater people
