Girl you're lookin' fine tonight
And every guy has got you in his sight
What you're doin' with a clown like me
Is surely one of life's little mysteries

So tonight I'll ask the stars above
How did I ever win your love
What did I do, what did I say
To turn your angel eyes my way

Well I'm the guy who never learned to dance
Never even got one second glance
Across a crowded room was close enough
I could look but I could never touch

So tonight I'll ask the stars above
How did I ever win your love
What did I do, what did I say
To turn your angel eyes my way

Don't anyone wake me if it's just a dream
Cause she's the best thing that ever happened to me
All you fellows you can look all you like
Well this girl you see, she's leaving here with me
tonight

There's just one more thing I need to know
If this is love why does it scare me so
There must be something only you can see
Cause girl I feel it when you look at me

So tonight I'll ask the stars above
How did I ever win your love
What did I do, what did I say
To turn your angel eyes my way
