Thinkin' 'bout the times you drove in my car  
Thinkin' that, I might have drove you too far  
And I'm thinkin' 'bout the love, that you laid on my table  
I told you not to wander 'round in the dark  
I told you 'bout the swans, that they live in the park  
And I told you 'bout a kid, now he's married to Mable  
Yes, I told you 'bout the life goes up and down  
Don't you notice, how the wheel goes 'round?  
And you better pick yourself up off the ground  
Before they bring the curtain down  
Yes, before they bring the curtain down, whoa  
Talkin' 'bout a girl, that looks quite like you  
She didn't have the time to wait in the queue  
She cried away her life, since she fell off the cradle
