She plays rough
She ain't ready
There ain't a thing,
in this world to prove

She's got a needle and a powder people,
to keep her steady
Life's gonna teach her a thing or two
Talk is cheap
So listen up
You're in too deep
Enough is enough

Bulletproof
It's bad news
You give up
Like it's nothing to lose
Bulletproof
It's no use
You better face the truth
You ain't bulletproof

In my mind
She's still smokin'
Life's too painful
She gets straight
No lie
I ain't jokin'
It's gonna hit you like a hurricane

Talk is cheap
It can't be worse
Keep it up

You're gonna leave in a hearse

Bulletproof
It's bad news
You give up
Like it's nothing to lose
Bulletproof

It's no use
You better face the truth
You ain't bulletproof

Look at the people
There's so much lust
You got everything
But still it's a bust

I see the sun
You see the rain
I see the hope
And you see the pain

Bulletproof
It's bad news
You give up
Like it's nothing to lose
Bulletproof
It's no use
You better face the truth
You ain't bulletproof
