Well, in case you haven't noticed,
the girl's in love with you
But you just seem to ignore her,
tell me what you tryin' to do

Instead of looking the other way,
you outta give her the eye
'Cause if she wants to love you,
don't let your chance go by

Well, now look at her, man,
she got blue eyes and long blonde hair
And you know pretty girls like that,
you just don't see everywhere

Yeah, start cashin' in on your good fortune, boy
Go on and give her a try
'Cause if she wants to love you,
don't let your chance go by

Well, I've known you for a long time,
you know I don't give no jive
And I know she's got some loving,
that'll help keep you alive

If you turn that poor little girl down,
you're gonna make her cry
Because if she wants to love you,
don't let your chance go by

Yeah, if she wants to love you, don't let your chance go
by,
Whoa!
Yeah, she wants to love you, don't let your chance go
by
I say it again, don't let your chance go by
One more time!
Don't let your chance go by
