Gypsy woman told my mother

'Fore I was born

She said, you got a boy-child coming

And gonna be a son of a gun

Gonna make pretty womens

Jump and shout

And the world wanna know

What this all about

But you know I'm here

Everybody knows I'm here

Well, I'm your hoochie coochie man

And everybody knows I'm here

I got the black cat bone

And I got a mojo tooth

I got the John the Conqueror root

Gonna mess with you

I'm gonna make you girls

Lead me by my hand

Then the world gonna know

I'm your hoochie coochie man

But you know I'm here

Well well well, everybody knows I'm here

Well, I'm your hoochie coochie man

You gonna believe I'm here

On the seventh hour

On the seventh day

On the seventh month

Seven doctors say

He say, "He was born for good luck

And that you'll see"

I got seven hundred dollars, baby

Don't you mess with me

But you know I'm here

Well, everybody knows I'm here

Well, I'm your hoochie coochie man

And everybody knows I'm here
