"Run Through The Jungle"

Well, I thought it was a nightmare

Well, Lo, it all seemed so true

They told me don't go walkin' slow

The devil's on the loose

Better run through the jungle

Better run through the jungle

Better run through the jungle

Oh, don't look back to see

Well, I thought I heard a rumblin'

Calling out my name

Two hundred million guns are loaded

And Satan cries take aim

Better run through the jungle

Better run through the jungle

Better run through the jungle

Oh, don't look back to see

Now over on the mountain

Thunder magic spoke

Said, let the people know my wisdom

Fill the land with smoke

Better run through the jungle

Better run through the jungle

Better run through the jungle

Oh, don't look back to see

Thank you
