Well I don't know why I came here tonight
I've got this feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs

Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you
Yes I'm stuck in the middle with you

And I don't know what it is I should do
It's so hard to keep this smile off my face
Losing control all over the place

Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you

Well you started off with nothing
And you're proud that you're a self-made man
And your friends they all come crawling
And slap you on the back and say please, please, yeah

Well I'm trying to make some sense of it all
But I can see it makes no sense at all
Is it cool to go to sleep on the floor
I don't think that I can take anymore

Clowns to the left of me, jokers to the right
Here I am stuck in the middle with you

Well you started off with nothing
And you're proud that you are a self-made man
And your friends they all come crawling
And slap you on the back and say please, please, yeah

Well I don't know why I came here tonight
Got this feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs

Well there're clowns to the left of me, jokers to the right
Here I am stuck in the middle with you

Yes there're clowns to the left of me, jokers to the right
Here I am stuck in the middle with you
Yes I'm stuck in the middle with you
Well I'm stuck in the middle with you

Yeah I'm stuck in the middle with you
Yeah, stuck in the middle with you
Stuck in the middle with you
Well I'm stuck in the middle with you
Well I'm stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you
