Don't You Know
I tried to make it right with you
But i should go
After everything that we've been through
I had the time of my life
Till that day that my love took a dive
But if only the strong will survive
Won't you stay with me, stay with me, stay with me,
stay with me
If it's time to let you go
Let me know tomorrow
I wanna hear I told you so
(Don't you know) Don't you know
we shouldn't keep the score
of all the dirty tricks we pulled before
Don't you know we couldn't anymore
Don't you know i want you here to stay
Don't you know it matters anyway
Anyhow, don't you know
I've should have known
I've was chasing rainbows all the time
we maybe so
But i always had your hand in mine
You were the light of my life
Till that day that my love took a dive
But if only the strong will survive
Won't you stay with me, stay with me, stay with me,
stay with me
If it's time to let you go
Let me know tomorrow
I wanna hear I told you so
(Don't you know) Don't you know
we shouldn't keep the score
of all the little tricks we pulled before
Don't you know we couldn't anymore
Don't you know i want you here to stay
Don't you know it matters anyway
Anyhow, don't you know
(Don't you know) Don't you know
we shouldn't keep the score
of all the little tricks we pulled before

Don't you know we couldn't anymore
Don't you know i want you here to stay
Don't you know it matters anyway
Anyhow, don't you know
