Shades of Soul
Feeling funky for the funk of it
Just letting you know
The funk is for real
Gonna let you know
Feelin so good that you'll never quit
Got funk to go
Just do what you feel
(repeat)

Gonna let you know
Talking bout Shades of Soul
Talking bout Shades of Soul
Talking bout Shades of Soul
Talking bout Shades of Soul
Shades of Soul
Talking bout Shades of Soul
Talking bout Shades of Soul
Talking bout Shades of Soul
Talking bout Shades of Soul

Shades of Soul
Feeling funky for the funk of it
Just letting you know
The funk is for real
Gonna let you know
Feelin so good that you'll never quit
Got funk to go
Just do what you feel
(repeat)
