All of the lights are shining,
Feels like the stars are smiling down
I see the shadows of the trees
Can you believe it's snowing?
Even the lake is frozen,
I haven't see it since last year...

It's the sweetest feeling,
It's the joy of being,
Underneath the mistletoe.
I only get this feelin'
When I'm coming home,
At Christmas time...
At Christmas time...

Sitting beside the fire,
We're all feeling so inspired,
Don't we have everything we need?
Isn't the spirit giving,
Reminiscing and forgiving,
Well isn't that the Christmas dream...

It's the sweetest feeling,
It's the joy of being,
Happy with your heart of love,
I only get this feelin'
When I'm coming home,
At Christmas time...
At Christmas time...
Yeahh...

At Christmas time...
Christmas time... yeah...

It's the sweetest feeling,
It's the joy of being,
Happy with your heart alone
I only get this feeling,
When I'm coming home,
At Christmas Time,
At Christmas Time,
Yeahh...

Isn't the spirit giving,
Reminiscing and forgiving,
Well isn't that the Christmas Dream...
