What keeps you going
Is the same thing that makes me wanna stay
Well, I don't need no reasons
Don't need reasons for loving you this way

No, I don't mind a little imperfection
Helps me realize that I got some too
No, I don't mind when it gets a little crazy
As long as I'm with you

Here we go again, all on our own again
Everyone said it wouldn't last
Here we go again, let's prove them wrong again
It's all that we can do, here we go again
Yeah hey, yeah hey, whoa, oh, oh

We're breathing in moments
Holding the good like it's everything we have
We're forever falling
But falling with you is just part of the plan

No, I don't mind when a little imperfection
Helps me realize that I got some too
No, I don't mind when it gets a little crazy
As long as I'm with you

Here we go again, all on our own again
Everyone said it wouldn't last
Here we go again, let's prove them wrong again
It's all that we can do, here we go again

Here we go again
(Here we go, here we go, here we go again)
Ooh
(Here we go, here we go, here we go again)

Here we go again
(Here we go again)
Ooh

Here we go again, all on our own again
Everyone said it wouldn't last

Here we go again, let's prove them wrong again
It's all that we can do, can do

Here we go again, here we go again, here we go again
Over and over again
Here we go again, here we go again
Here we go again
