This isn't how it was gonna be
Not part of the plans I made, I wasn't looking for
anyone
It's never like that in this world
Always feels like it's somewhere else but hey, there you
were

You fell apart in my hands, oh
All the pieces knew exactly where to land

Hey, what are we gonna do now?
We're spinning out of control
And we don't care where it goes
It's somewhere out there

Hey, where are we gonna go now?
I hope we'll find our way home
Who wants to be safe?
I wanna be reckless

There is something about us together
No one else really gets it, they just want what we got
Started out when I saw you
I was trying to warn you but you wouldn't stay away

You fell apart in my hands, whoa
And all the pieces knew exactly where to land

But hey, what are we gonna do now?
We're spinning out of control
And we don't care where it goes
It's somewhere out there

Hey, where are we gonna go now?
I hope we'll find our way home
Who wants to be safe?
I wanna be reckless
Whoa, oh, oh, I wanna be reckless

What are we gonna do? What do we do now?
Where are we gonna go? Where do we go now?
What are we gonna say? What do we say now?

What are we gonna do? What do we do now?
Where are we gonna go? Where do we go now?
What are we gonna say? What do we say now?

But hey, what are we gonna do now?
We're spinning out of control
And we don't care where it goes
It's somewhere out there

Hey, where are we gonna go now?
I hope we'll find our way home
Who wants to be safe?
I wanna be reckless

What are we gonna do? What do we do now?
Where are we gonna go? Where do we go now?
What are we gonna say? What do we say now?

Who wants to be safe?
I wanna be reckless
