Sweet sweet,
Dream so sweetly tonight,
Sweet sweet,
Dream so sweetly tonight,

I first seen you on the market place,
Chopping, peeling sticks of sugar cane,
I fell in love with your sweet smile,

Slip away from the city race,
Follow me to a lonely place,
Come lie down by my waterfall,

Sweet sweet,
Come dream sweetly tonight,
Sweet sweet,
Come dream sweetly tonight,

Reel and tackle gonna catch a fish,
Mountain mullet makes a tasty dish,
For us, two lovers in the shade,

Share sweet mango in this hidden place,
Feel the droplets on your pretty face,
I watch the juice run down your chin,

Sweet sweet,
Dream so sweetly tonight,
Sweet sweet,
Dream so sweetly tonight,

The shadows lengthen, day is over now,
You slip away while I am sleeping sound,
And leave me with sweet memories,

Sweet sweet,
The taste of my lover,
Sweet sweet,
The smell of her skin,
Sweet sweet,
The touch of the water,

Sweet sweet,
Was the look on her face,
Sweet sweet,
The sound of the river,
Sweet sweet,
You're like sugar and spice
