bitch i'm going to kill you

you don't need to live

lets see what will i do?

fucker i'll spin you around

throw you down the stairs and watch you hit the ground

Every time you look at me it makes me want to kill so  
much more

Refrain 1

killing you means so much more

More than anything I ever thought before

You drive me crazy

I just can't sleep

I'm so excited cause i'll see you deceased

Oh Oh Oh crazy but it feels alright

fucker you can't hurt me

so don't even fight

Tell me

you envy me

that i'm the only one you want to be

Tell me

your a dirty slut

and that your daddy fucked you up the butt

Refrain 2

killing you means so much more

More than anything I ever thought before

You drive me crazy

I just can't sleep

I'm so excited cause i'll see you deceased

Oh Oh Oh crazy but it feels alright

fucker you can't hurt me

so don't even fight

You drive me crazy

I just can't sleep

I'm so excited cause i'll see you deceased

Oh Oh Oh crazy but it feels alright

fucker you can't hurt me

so don't even fight

(repeat chorus x3)
