Visit "[A Moment Of Clarity](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Thought of you tonight  
Simple twists and turns  
Incarcerated here  
And handcuffed to your world

Your innocence is cruel  
Coquettish and arcane  
But I need it all the same

I thought of you tonight  
In silent seething heat  
Through charred and damned desire  
Dark Eros wounding me

Your innocence is cruel  
And your ass like Jesus feet  
Worth kissing, worth kissing

Give yourself to me  
I share your need  
Give yourself to me  
And come to me

Give yourself to me  
I share your need  
Give yourself to me  
I share your need

I thought of you tonight  
Blank and starving eyes  
This one moment of clarity  
Blink the darkness in my eyes

Your lips like bruised vulva  
Your ass like Jesus feet  
Worth kissing  
Give yourself to me

I thought of you tonight  
Silent seething heat  
Charred and damned desire  
Dark Eros killing me

Your lips like bruised vulva  
Your ass like Jesus feet  
Worth kissing, worth kissing

Give yourself to me  
I share your need  
Give yourself to me  
I share your need

Give yourself to me  
I share your need  
Give yourself to me  
I share your need

Kiss me through your warning darkness  
Kiss me now so I can breathe  
Kiss me once then I am leaving  
Kiss me once then kiss yourself goodbye

I thought of you tonight  
In simple twists and turns  
Incarcerated here  
I'm handcuffed to this world
