Won't be the same

You're a piece of shit

You need the enemy, you need someone to crush  
Somebody, weakling like you, cos you're not strong  
enough  
Fuck democracy, do as I say, your ideas get in the way  
You're nothing but a scrawny little piece of shit, you're  
gonna die anyway

You're on your own now  
Wanna go home now now  
Wanna go home now

But I'm just animal bones  
But I'm just animal bones  
But I'm just animal bones  
But I'm just animal bones

Yeah

You need the enemy, you need someone to crush  
Some fucker, weakling like you, cos you're not strong  
enough  
Fuck democracy, do as I say, your ideas get in the way  
You're nothing but a scrawny little piece of shit, you're  
gonna die anyway

You're on your own now  
Just wanna go home now  
Wanna go home now

But I'm just animal bones  
I'm just animal bones  
I'm just animal bones  
I'm just animal bones

Son of a bitch

You're a piece of shit  
You're a piece of shit

(Body bag, full of bones, put it down) you're a piece of  
shit

(Body bag, full of bones, put it down) you're just a  
piece of shit
