"Before You, With You, After You"

Existence
It's just a question of time
Failure
Half deaf, half blind
Onward
Over ruined terrain
Forward
On twisted legs

Before you
With you
After you
This is how it is

Feed me
Medicine
Feed me
Simplifications
I need
Illusions
So bleak
It's funny

Before you
With you
After you
This is how it is

I can't stop it
I can't sit still
I can't end what I couldn't begin

Novels unfinished
Records unplayed
Words just paper
Music just noise

Before you
With you
After you
This is how it is

[x2]

This is how it is...
