Mmm, tidy it up

Fuck you, man, if you don't feel alright  
Fuck you, man, if you don't feel OK  
Cos I'm wired to the moon, stapled to the sky, happy as  
I am, and I don't know why  
Wired to the moon, stapled to the sky, happy as I am,  
and I don't ask why

Don't you worry, don't you ever make feel me worthless

Don't you ever, don't you ever wake up alone  
Wired to the moon, stapled to the sky, happy as I am,  
and I don't ask why  
Cos I'm wired to the moon, stapled to the sky, happy as  
I am, and I don't know why  
Yeah, yeah, welcome to my place  
Yeah, yeah, welcome home  
Clench the lightbulb, clench the lightbulb between my  
teeth  
Yeah, yeah, welcome to Fuckland  
Mister, I really hope you're on, really hope you're on the  
same buzz as me  
Cos I'm wired to the moon, stapled to the sky, happy as  
I am, and I don't know why  
Wired to the moon, stapled to the sky, happy as I am,  
and I never ask why

Yeah, yeah, welcome to my place

Yeah, yeah, welcome to Fuckland  
Yeah, yeah, welcome home  
Yeah, yeah, welcome home  
Yeah, yeah, welcome to my place  
Yeah, yeah, welcome to Fuckland  
Dance, dance, dance, dance

Dance, dance, dance, dance  
Welcome to Fuckland
