My little friend  
I don't understand  
Where you begin  
And where you end  
I've seen you back and forth  
And left to right  
Always well within sight

I am the one  
I am the one  
I am the one  
I am the one

Deluded son

I can collect  
The world round my neck  
All I have done  
I was compelled  
I've seen you back and forth  
And left to right  
Always well within sight

I am the one  
I am the one  
I am the one  
I am the one

Deluded son

I am the one  
I am the one  
I am the one  
I am the one

I am the one  
I am the one  
I am the one  
I am the one

Deluded son
