Well this is taking everything
Everything that I can stand
And you look like the enemy
With the answers hidden in your hands
And you can tell yourself, everything is fine
But don't be fooled by the sunshine
And don't expect roses
Don't expect roses
I'm thinking
Watching London sink in the Thames
I'm using all my energy
Wasted, used, re-cycled and drained
Maybe I'll find you sympathy
Somewhere near the end of the century
But don't expect roses
Don't expect roses
The hooligans are loose, the hooligans are loose
The hooligans are loose, the hooligans are loose
You should pay some attention to me

I won't stop throwing
'Til everything's broken
So don't expect roses
Don't expect roses
Don't expect roses
Don't expect roses
Don't expect roses (roses)
Don't expect roses (roses)
So don't expect roses
Roses
(Don't expect me to ...)
Don't expect roses (roses)
(You can kiss my ass on your way out)
Roses
Don't expect roses (roses)
Don't expect roses (roses)
Don't expect roses (roses)
Don't expect roses (roses)
Don't expect roses (roses)
Don't expect roses (roses)
If you're looking for trouble you can find me on the
internet motherfucker
