Night time
Perspective
Little lights glisten
The city below

Two blunt
Smudges
Tail lights
Blind corner

It's all made special for you
It's all made special for you
It's all made special for you
It's all made special for you

You see the city below
You see the city below
You see the city below
You see the city below

And then your heart beat hits
Heart beat hits
Your heart beat hits
Heart beat hits
Your heart beat hits
Heart beat hits
Your heart beat hits
Heart beat hits

How ya
Doing?
You look
Good in that

Two blunt smudges
Tail lights
Blind corner

It's all made special for you
It's all made special for you
It's all made special for you
It's all made special for you

You see the city below
You see the city below
You see the city below
You see the city below

And then your heart beat hits

You see the city below
You see the city below
You see the city below
You see the city below

You see the city below
You see the city below
You see the city below
You see the city below

And then your heart beat hits

Heart beat hits
Your heart beat hits
Heart beat hits
Your heart beat hits
Heart beat hits
Your heart beat hits
Heart beat hits

Your heart beat hits
