Last night, can't get to sleep  
Because my head's split open  
It's down the ground, nail my thoughts onto the floor  
Can't hear you speak, can't hear you now

Every time I think of you  
It makes me feel so dead inside  
Love you and I hate you in the same breath  
I love you and I hate you in the same breath

My hate, my hate

I can't sleep, yet again, there's somethin' goin' on  
Tearing into my head, I've been down this way  
I've felt this way before, I can feel it twistin' inside  
I fight it, I hate it, I feel it, don't want it

My hate, my hate, I hate you  
My hate, rewind my mind
