We're licking the cannibal queen, went to London and
came back clean [?]

Went missing flying to the sun, came back with more
than a tan [?]

Chop and change the shape of the lies, hard fought
battle with the whipper knife [?]

[They gave way to the Heaven and to Hell/The game
plays in the hedonistic head], only got the hole in the
bodies instead

Every day I feel the same, every day drains into the
next

Every day I feel the same, every day drains into the
next

Every day I feel the same, every day drains into the
next

Every day I feel the same, every day drains into the
next

Oh, what can we do? [?] what have I done to deserve
this?

It's bad enough as it is, I've been kicked in the face by
a punishment kiss

Punishment kiss, punishment kiss, punishment kiss
