

# Therapy "Sister"

Visit "[Sister](#)" on MotoLyrics.com

Hey sister  
(What am I in for?)  
What am I in for?  
(What is this place?)  
(And who are these people?)

What is this place?  
(Miles of wires, fluorescent lights)  
Who are these people?  
(Crimson faces, familiar hatred)

Miles of wires, fluorescent lights  
Crimson faces, familiar hatred  
Miles of wires, fluorescent lights  
Crimson faces, knuckle necklace

Sister, I'm lost  
And I'm taking you with me  
Wherever I go  
Yeah, I'm taking you with me  
'Cause sister, I'm lost

And it's raining  
(Like I've never seen)  
Like I've never seen  
(Thick red hot in pregnant drops)

Thick red hot in pregnant drops  
(I scratch my skin)  
(I can't sleep)  
(I'm barely awake)

I scratch my skin, I can't sleep  
(I'm suffocating in an open space)  
I'm barely awake  
(I can't sleep)

I'm suffocating  
(I'm barely awake)  
An open space  
(I'm suffocating in an open space)

I can't sleep  
I'm barely awake  
(I can't sleep)  
I'm suffocating  
(I'm barely awake)  
I'm suffocating

Sister, I'm lost  
And I'm taking you with me  
Wherever I go  
Yeah, I'm taking you with me  
'Cause sister, I'm lost

Sister I'm lost  
Sister I'm lost  
Sister I'm lost

And I can't sit still  
(And I can't relax)  
I can't relax  
(And I can't sit still)

(It's like trying to find my way)  
(Out of someone else's nightmare)  
(Trying to find my way out)  
(Of someone else's nightmare)  
(When does this madness end?)

Working for the same old people  
Waiting for the same old man  
(When does this madness end?)

Working for the same old people  
Waiting for the same old man  
(When does this madness end?)

'Cause sister I'm lost  
And I'm bringing you with me  
(When does this madness end?)  
Wherever I go  
Yeah, I'm bringing you with me  
(When does this madness end?)

Sister, I'm lost  
And I'm taking you with me  
(When does this madness end?)  
Wherever I go

Yeah, I'm taking you with me  
(When does this madness end?)  
'Cause sister, I'm lost

(End, end, end, end)

Sister I'm lost

Sister I'm lost

Sister I'm lost

Sister I'm lost

Lost afternoons

Measuring time in spoons
