Let's pull over at the side of the road  
We need to take a break before our heads explode  
Keep down the laughter, keep down the speed  
Try to avoid being [Incomprehensible]

This neck of the woods can be creepy and cold  
You keep your mouth shut and you do as you're told  
We kicked off on a high at the start of the day  
Don't wanna end it in Castlereaugh

Don't sneak in my underpants, you only had to ask  
Don't sneak in my underpants, you only had to ask

I let it slip that we played in a band  
Maybe take a chance that he knew my old man  
Out of the car, stand on my toes  
And here I was thinking, he would let it go

Don't sneak in my underpants, you only have to ask  
Don't sneak in my underpants, you only have to ask  
Don't sneak in my underpants, you only have to ask  
Don't sneak in my underpants, you only have to ask

Don't sneak in my underpants, you only have to ask  
Don't sneak in my underpants, you only have to ask  
You only had to ask  
Don't sneak in my underpants, you only had to ask
