It's like somebody died in here, it's like somebody died
in here

The room is full of nervous laughter, the room is full of
awkward glances

It's like somebody died in here, it's like somebody died
in here

And I don't know if I should laugh or cry, and I don't
know if I should stay or hide

Somebody give me a straight answer, somebody give
me a straight answer

Somebody look me straight in the face, somebody look
me straight in the eye

Somebody let me in on the joke, somebody let me in on
the secret

Honey, I'm a nervous wreck

It's like somebody's died in here, it's like somebody's
died in here

Honey, I'm a nervous wreck

Somebody give me straight-A answers, somebody give
me straight-A answers

Somebody look me straight in the face, somebody look
me straight in the eye

It's like somebody's died in here, it's like somebody's
died in here

I feel like I'm gonna die in here, I feel like I'm gonna die
in here

Honey, I'm a nervous wreck

Honey, I'm a nervous wreck

Bongo fury

Well, everybody's in on it, but not me
Just plump me at the bar, and tell me all the drinks are
free

Well, everybody's in on it, but not me

Well, everybody's in on it, but not me

Just lead me to the bar, and tell me all the drinks are
free

Just move me to the bar and tell me all the drinks are
free

It's like somebody's died in here, it's like somebody's
died in here
The room is full of nervous laughter, the room is full of
awkward glances

Honey, I'm a nervous wreck
Honey, I'm a nervous wreck

(somebody, somebody) yeah (somebody, somebody)
yeah
(somebody, somebody) yeah (somebody, somebody)

(somebody, somebody) somebody let me in on the
joke
(somebody, somebody) somebody let me in on the
joke
(somebody, somebody) somebody let me in on the
joke
(somebody, somebody) somebody let me in on the
joke

In on the joke
In on the joke
In on the joke
In on the joke
