This could be my testimony  
Checking in, matrimony  
I don't owe you negatory, nothing  
On the dark nights when the windows fail  
Got no escape from suburban gaol  
I don't owe you negatory, nothing

'Cos I live in darkness, Wuuuu-uhuu  
And I see no reason, Wuuuu-uhuu  
Love is a devil, Wuuuu-uhuu  
Whatever you do, this one's for you

Wooo-ooo-ooah!

You could be the anestory  
Got me on my back  
Got me feeling negatory and I've never looking back

'Cos I live in darkness, Wuuuu-uhuu  
And I see no reason, Wuuuu-uhuu  
And love is a devil, Wuuuu-uhuu  
Whatever you go  
And I don't wanna know, Wuuuu-uhuu  
I live in darkness, Wuuuu-uhuu  
And I see no reason lately, Wuuuu-uhuu  
I live in darkness  
Whatever you do, this one's for you  
- Guitar solo -

Champagne for my real friends, Champagne for my  
real friends  
Real pain for my sham friends, Real pain for my sham  
friends

'Cos I live in darkness, Wuuuu-uhuu  
And I see no reason, Wuuuu-uhuu  
And love is a devil, Wuuuu-uhuu  
Whatever you go  
And I don't wanna know, Wuuuu-uhuu  
I live in darkness, Wuuuu-uhuu  
I see no reason lately, Wuuuu-uhuu  
I live in darkness

Whatever you do, this one's for you

Woo-oo-oo, this one's for you

Woo-oo-oo, this one's for you

Woo-oo-oo, this one's for you You, you, you, you

Woo-oo-oo, this one's for you You, you, you, you

Woo-oo-oo, this one's for you

This one's for you
