Artist: Christian Wunderlich  
Album: Real Good Moments  
Title: Forever Tonight

Duet with kirstin hall

Feel your breath  
On my shoulder  
And i know we  
Couldn't get any closer  
I don't wanna act tough  
I just wanna fall in love  
As we move into the night  
I get crazy thinking  
How it's gonna be  
With you baby  
I don't wanna play rough  
I've been loving you enough  
Oh baby

Wanna take forever tonight  
Wanna stay in this moment forever  
I'm gonna give you all  
The love that i've got  
Wanna take forever tonight  
Fill you up, fill you up with love  
When we close the door  
All i need is in your eyes  
Oh i wanna take forever tonight

Touch my lips  
Ooh i'm on fire  
You're the only one  
I'll ever desire  
Turn the lights down low  
Make the world go slow

When i'm holding you tonight  
Ooh it's so easy  
Nothing moves me  
Like you do when you tease me

And to rush would be a crime

I just wanna spend some  
Time with you baby

Wanna take forever tonight  
Wanna stay in this moment forever  
I'm gonna give you all  
The love that i've got  
Wanna take forever tonight  
Fill you up, fill you up  
Give you all my love tonight  
When we close the door  
All i need is in your eyes  
Oh i wanna take forever

When i'm here beside you  
Wanna see what drives you  
Out of your mind  
Ooh baby

I never wanna leave  
I only wanna be with you  
'cause i love how you feel  
Your love is so real  
Now you know i

Wanna take forever tonight  
Wanna stay in this moment forever  
I'm gonna give you all  
The love that i've got  
Wanna take forever tonight  
Wanna stay in this moment forever

I'm gonna give you all  
The love that i've got  
'cause i can't live without you ooh  
Wanna take forever tonight
