Oh, I can tell by the way that she walks  
She's a big city girl  
And I can tell by the way that she talks  
She might even save the world

Well, she got my number  
But I don't think she knows my name  
Oh, but since I've found this woman  
Don't you know my life has changed?

Well, she got me singin' my song  
Like I never sung it before, yeah

Big city, big city  
Lord, I'd like to try 'em again  
Big city, big city  
Big city women got me again

All right  
Yeah, yeah, yeah

Now, if you go to New Orleans  
You got to find her there, too  
Ha, now don't you know just what I mean?  
I think she's down there lookin' for you

I've been to Chicago, babe  
I've been to New York City, too, yes, I have  
Well, don't you know the big city women?  
They know how to give me the blues

Early in the morning  
Oh, when the big city lovin' begins, yeah

Big city, big city  
Lord, I'd like to try 'em again  
Big city, big city  
Big city women got me again

Alright Craig

Big city, big city  
Lord, I'd like to try 'em again  
Big city, big city  
Big city women got me again

I'd like to try some other girl  
Oh, got to have 'em one more time  
I'd like to try some other girl  
Oh, got to have 'em one more time

I'd like to try some other girl  
Gotta, gotta, gotta have it  
Gotta, gotta, gotta have it  
Oh, you got me where you want now, babe  
Oh, yeah, oh, ooh, aah
