Fire
Fire

You know there's a fire
You started a fire burnin' in my heart
My desire caught fire baby
Just tiny spark

Now it's outta control
Spreadin' through my soul
Been deliberately set
Gonna get even hotter yet

Burnin', burnin', it's burnin' me up
You started a fire
Burnin' in my heart
You started a fire
Burnin' in my heart and soul

Baby with your love
I burst into flames
When I called out your name
And suddenly I was engulfed

Now my whole life's on fire
Now flames keep on gettin' higher and higher
In the heat of the night
I get the fever but it feels all right

Burnin', burnin', it's burnin' me up
You started a fire
Burnin' in my heart
You started a fire
Burnin' in my heart

Fire, fire
You know there's a fire

You started a fire, baby
Burnin' in my heart
Burnin' in my soul

Burnin' red hot coal

Now I'm really hot
I just can't be stopped
Now it's your turn to burn
Got to learn to walk on fire

Burnin', burnin', it's burnin' me up
You started a fire
Burnin' in my heart
You started a fire
Burnin' in my heart

Fire, fire
Burnin', burnin', burnin' in my heart
Fire, fire
Burnin', burnin', burnin' in my heart
Fire, fire
Burnin', burnin', burnin' in my heart
You know you started a fire
