"Hot Water"

You get what you give, if you give what you get
Ooh, don't forget it, hot water, cold water
You get what you take, if you take what you get
Ohh, we can make it

Oh, I think I'm gonna skip this shining rock
Across the water, hot water
Send it out and if it's love I wanna see it come straight
back
Straight up the way it ought to

Oh, you say you feel like love is here
Know it's a feelin' of love that you can hear
You can leave right now, you can love today
Let me hear what you have to say

Get what you give, if you give what you get
Ooh, don't forget it, hot water, cold water
You get what you take, if you take what you get
Ohh, we can make it

Think I'm gonna skip this shining rock
Across the water, hot water
Send it out and if it's love I wanna see it come straight
back
Straight up the way it ought to

Oh, you say you feel like love is here
Know it's a feelin' of love that you can hear
You can leave right now, you can love today
Let me hear what you have to say

Love, love is what I wanna say, hot water
Love, love is where I wanna stay, hot water
Love, love is what I wanna say, hot water
Love, love is where I wanna stay, hot water

Love, love
Love, love
Love, love, love
Love is where I wanna stay, hot water

Water, hot water
Water, hot water
Water, hot water
