I came back from the jaws of
The dragon
I came back to your heart again
I came back from the jaws of
The dragon
I came back to your dream again
Maybe for the first time it won't be
The last time
I came back to your heart again
I came back through the jaws of
The dragon
I came back to tell you where I been

If I was sandanista ohh I would
Assassinate
Somebody who abused abused abused
His mighty mighty privilege
But then somebody would
Assassinate me
For abusing my mighty mighty
Privilege

Can't spend the time on the holes
Got to eat cher donut and forget
About the holes

Don't forget or you might fall in
You got to concentrate concentrate
Concentrate

I'm over the line
I'm over the line
I'm over the line
I'm over the line

Don't feel so badly about current
Anxiety
About your frustrations emotional
Uncertainty
That's the way you're supposed to feel
That's the way they want you to

Feel
Dissatisfaction dissatisfaction
Massive demoralization family unit
Breakdown
You're supposed to believe that war
Is imminent
That crime soars and chaos prevails
Then they give you a moment of
Sweet sweet peace
And you become so happy you don't
Send them to jail

Chorus
