Verse 1

(male)

Looking in your eyes, I can see a paradise,
This world that I've found, is too good to be true
Standing here beside you, want so much to give you
This love in my heart that I'm feeling for you

(female)

Let 'em say we're crazy, I don't care about that
Put your hand in my hand baby, don't ever look back
Let the world around us, just fall apart
Baby we can make it if we're heart to heart.

Chorus

And we can build this dream together, Standing strong
forever,
Nothin's gonna stop us now,
And if this world runs out of lovers, we'll still have each
other,
Nothin's gonna stop us, nothin's gonna stop us now (oh
no)

Verse 2

(male)

I'm so glad I found you, I'm not gonna lose you
Whatever it takes, I will stay here with you
Take it to the good times, see it through the bad times
Whatever it takes is what I'm gonna do

(female)

Let 'em say we're crazy, what do they know?
Put your arms around me baby, don't ever let go,
Let the world around us just fall apart,
Baby we can make it if we're heart to heart

Repeat chorus

(male) Ooooh, all that I need is you

(female) All that I ever need

(male) and all that I want to do

(both) is hold you forever, forever and ever

Repeat chorus to fade out

(female voice-over chorus)
Nothin's gonna stop us now
Oh no, hey baby, I know, hey baby,
Nothin's gonna stop us, hey baby
Hoo Hoo, hey baby

fade out
