No Way Out

-----

No intentions, whatsoever  
I was gone for a night  
nothing's for ever  
the cruel daylight brought me back to my senses.  
Back to my senses. . .  
Got caught in here under false pretences.  
No way out, none whatever  
I made up a story  
thought it was clever  
she didn't ask and I got no replies.  
Got no replies. . .  
But later that night I heard her cry.

No way out  
Don't look by my story.  
No way out  
Don't look by my story.  
No. No way out  
Don't look by my story.

No air confessions, whatsoever  
but can she forget?  
nothing's for ever  
since yesterday she's a little bit colder.  
Little bit colder. . .  
Won't happen again  
what could I have told her?

No way out  
Don't look by my story.  
No way out  
Don't look by my story.  
No. No way out  
Don't look by my story.  
Don't look by my story. . .

(guitar solo)

How can she tell the truth from the lies?  
How does she know when to close her eyes?  
She doesn't want to loose me  
so she only sees what she wants to see.

No way out  
Don't look by my story.  
No way out  
Don't look by my story.  
No. No way out  
Don't look by my story.  
No way out.  
No way. . .
