Looking in your eyes I see a paradise  
This world that I've found is too good to be true  
Standing here beside you, want so much to give you  
This love in my heart that I'm feeling for you

Let 'em say we're crazy, I don't care about that  
Put your hand in my hand baby, don't ever look back  
Let the world around us just fall apart  
Baby, we can make it if we're heart to heart

And we can build this thing together  
Standing strong forever  
Nothing's gonna stop us now

And if this world runs out of lovers  
We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us now

I'm so glad I found you, I'm not gonna lose you  
Whatever it takes I will stay here with you  
Take it to the good times, see you through the bad  
times  
Whatever it takes, here's what I'm gonna do

Let 'em say we're crazy, what do they know  
Put your arms around me baby, don't ever let go  
Let the world around us just fall apart  
Baby, we can make it if we're heart to heart

And we can build this thing together  
Standing strong forever  
Nothing's gonna stop us now

And if this world runs out of lovers  
We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us

Ooh, all that I need is you  
All that I ever need

And all that I want to do  
Is hold you forever, ever and ever

And we can build this thing together  
Standing strong forever  
Nothing's gonna stop us now

And if this world runs out of lovers  
We'll still have each other  
Nothing's gonna stop us  
Nothing's gonna stop us

And we can build this thing together  
Standing strong forever  
Nothing's gonna stop us now

And if this world runs out of lovers  
We'll still have each other  
Nothing's gonna stop us

And we can build this thing together  
Standing strong forever  
Nothing's gonna stop us now

And if this world runs out of lovers  
We'll still have each other  
Nothing's gonna stop us

And we can build this thing together  
Standing strong forever  
Nothing's gonna stop us now
