Don't we go on living
Like our lives come with some kind of guarantee
Talking 'bout the future
Like we'll see tomorrow's sunrise definitely
Got no time for love today
Don't notice love just seems to slip away
(Seems to slip away)

I don't want to end up thinking about
How it could have been
If our days were numbered tell me
Would you love me then?

Could you say I love you
Would you let it go unsaid?
Would we be wasting time
If our time was limited? Yeah, yeah, yeah

Seems to me that we
Could treat each other so much better than we do
(So much better baby)
I don't want to wait
Till it's too late to let you know that I love you
(I love you)
Treat each day like it's the last
Make up for time we wasted in the past

I don't want to end up thinking 'bout
How it could have been
If our days were numbered tell me
Would you love me then?

Could you say I love you
Will you let it go unsaid?
Let's quit wasting time
'Cause our time is limited, yeah, yeah
Yeah, yeah, yeah, give me

(Wastin' time, wastin' time)
I don't want to wait
(Wastin' time)

No
(Wastin' time)
Baby can't you see it

(Wastin' time, wastin' time)
Stop wastin' time
I gotta stop wastin' time
(Oh)
Stop

(Wastin' time)
Yeah
(Wastin' time)
I gotta stop
(Wastin' time, wastin' time)
