You don't know how much I love you
But I love you like the sun
I'd like to put my arms around you
Run, run, run, runaway
Let's run, run, run, runaway
Let's run, run, run, runaway

If you knew how much I miss you
I miss you more each day
I'd really like to come and see you
We could run, run, run, runaway
Run, run, run, runaway
Let's run, run, run, runaway

Sun is coming and it's getting warmer
Tell me spring is just around the corner
I'm sitting watching all the flowers
Birds are singing, getting louder and louder

Here I am, missing you
Here I go, I'm loving you
Run, run, run, run, running
Here I go, I'm watching you
Run, run, run, run, running
Here I go, I'm needing you
Run, run, run, run, running
Here I go, I'm loving you
Run, run, run, run, running
Run, run, run, run, runaway

If you knew how much I need you
Oh, I need you like the air, oh
If someone should take you from me
I would run, run, run, runaway
I'd run, run, run, runaway
Let's run, run, run, runaway

Sun is coming and it's getting warmer
Tell me spring is just around the corner
I'm sitting watching all the flowers
Birds are singing, getting louder and louder

Here I am, missing you
Here I go, I'm loving you
Run, run, run, run, running
Here I go, I'm watching you
Run, run, run, run, running
Here I go, I'm needing you
Run, run, run, run, running
Here I go, I'm loving you
Run, run, run, run, running
Run, run, run, run, runaway

Well, you don't know how much I love you
But I love you like the sun, yeah
I'd like to put my arms around you
We could run, run, run, runaway
Come on, baby, let's run, run, run, runaway
Come on, baby, let's run, run, run, runaway

You don't know how much I want you
Run, run, run, runaway
You don't know how much I need you
Run, run, run, runaway
You don't know how much I loved you
Run, run, run, runaway
You don't know how much I loved you
Run, run, run, runaway
Really like to come and see you
Run, run, run, runaway
Really put my arms around you
Run, run, run, runaway
One more time, just one more time now
Run, run, run, runaway
