Go now,
Don't look back we've drawn the line,
move on,
Its no good to go back in time,
I'll never find another girl like you,
for happy endings it takes two,
with fire and ice, a dream won't come true.

(Chorus)
Sarah, Sarah
storms are brewing in your eyes,
Sarah, Sarah
no time is a good time for goodbyes

Danger,
in the game when the stakes are high,
branded,
my heart was branded while my senses stood by,
I'll never find another girl like you,
for happy endings it takes two,
with fire and ice, a dream won't come true.

(Chorus)
Sarah, Sarah
storms are brewing in your eyes
Sarah, Sarah
no time is a good time for goodbyes

Hey, Sarah,
Love me like no one has ever loved me before,
hey, Sarah,
hurt me no one could ever hurt me more.

Hey, Sarah,
Sarah,
Hey, Sarah
the way you loved me before

Instrumental

I'll never find a girl like you,

with fire and ice, a dream won't come true

Chorus

Sarah, Sarah
no time is a good time for
Sarah, Sarah
storms are brewing in your eyes
Sarah, Sarah
no time is good time for goodbyes
Sarah, Sarah
storms are brewing in your eyes
Sarah, Sarah
no time is a good time
no-oh-oh-oh-oh
oh-Sarah
why did it, why did it,
why did it all fall apart?
