When the truth is found to be lies  
And all the joy within you dies

Don't you want somebody to love  
Don't you need somebody to love  
Wouldn't you love somebody to love  
You better find somebody to love  
Better find somebody to love, love

Now when the garden flowers, my baby are dead  
Yes, and your mind, your mind is so full of red

And don't you want somebody to love  
Don't you need somebody to love  
Wouldn't you love somebody to love  
You better find somebody to love

Your eyes, your eyes may look like his  
But in head, my baby, I'm afraid you don't know where  
it is

Don't you want somebody to love  
Don't you need somebody to love  
Wouldn't you love somebody to love  
You better find somebody to love, love

Tears are running, [Incomprehensible] running down  
your breast  
And your friends, baby, you know they treat you like a  
guest

Don't you want somebody to love  
Don't you need somebody to love  
Wouldn't you love somebody to love  
You better find somebody to love  
No, don't find somebody to love
