It's so easy
When love is new
Magic feeling
In everything you do

But we get careless
And make each other cry
Oh, what a waste just to let love die
Let's give it one more try

You say you're sorry
I'm sorry too
Sorry me
Sorry you

The fire is low
But the ashes burn
Reach the point
Of no return

Out on the edge
Such a dangerous place to be
When darkness falls
And you got no way to see
Don't turn away from me

You say you're sorry
I'm sorry too
Sorry me
Sorry you

Now it's over
We've reached the end
Time has come
To start again

You say you're sorry
I'm sorry too
Sorry me
Sorry you

You say you're sorry
I'm sorry too
Sorry me
Sorry you
