Raindrops fallin'
Winter feels so gloomy
Hear a knock upon my door
Stranger callin'
Eyes that look like mine
Said, ?You know, I've called before?

What is veiled now soon will be shown
Come walk with me through the unknown

Familiar stranger
Should I know your name?
Did we meet some time ago?
I feel uncertain
Shadows whisper to me now
Sudden wind begins to blow

What is veiled now soon will be shown
Come walk with me through the unknown

Stranger

Darkened doorways
Strangest things can happen
Don't know who you're talkin' to?
Find yourself
When lightning strikes you now
You could be lookin' back at you

What is veiled now soon will be shown
Come walk with me through the unknown
What is veiled now soon will be shown
Come walk with me through the unknown

Stranger

Familiar stranger
Should I know your name?
Did we meet some time ago?
Are you someone I should know?
Did we meet some time ago?
