Today I feel like pleasing you more than before  
Today I know what I want to do but I don't know what for  
To be living for you is all I want to do  
To be loving you it'll all be there when my dreams come true  
Today you'll make me say that I somehow have changed  
Today you'll look into my eyes, I'm just not the same  
To be anymore than all I am would be a lie  
I'm so full of love I could burst apart and start to cry  
Today everything you want, I swear it all will come true  
Today I realize how much I'm in love with you  
With you standing here I could tell the world what it means to love  
To go on from here I can't use words, they don't say enough  
Please, please listen to me  
It's taken so long to come true  
And it's all for you  
all for you....
