When love comes tumblin' down
Tumblin' down to the truth
And can't fall no more
Can't fall no more, baby, baby, baby

Don't be blue, I'll stand by you
And we'll get that feelin'
Just like before, only more and more
And love'll mean something again

Oh, baby, you know it can
Be just like heaven
It was heaven before, yes, it was
Oh, if you stand by me

I'll stand by you
And the feelin' it'll get
Stronger and stronger
Won't be much longer

'Cause this time this love's gonna grow
This time you'll never go
This time I'll love you so
This time everything we ever wanted

This time our love's gonna grow
This time I'll never let go of you
This time I'll love you so
This time everything that we could ever feel

In lovin' I feel it's comin'
Now I know the meanin'
I'm through with all the driftin' the dreamin'

'Cause when love comes tumblin' down
Tumblin' down to the truth
It can't fall no more

Tumblin', tumblin', tumblin', ooh
Tumblin', tumblin', tumblin', ooh
Tumblin', tumblin', tumblin', ooh

Tumblin', tumblin', tumblin', ooh
Tumblin', tumblin', tumblin', ooh
