No need to explain,  
Cause I know your story,  
You're making your claims  
To have the guts and glory,

You said, said,  
Gently mistaken gently mistaken  
If steady mistakes give me a body rush,  
We burn out the stake while you keep bashing your  
lungs,

You said, said,  
Gently mistaken (mistaken)

So let me make you familiar,  
You say you're going up,  
I beg to differ,  
I think you're going straight on down, down, down  
In a hail of gunfire

I'm on a hunt, hunt,  
For your chemicals,  
I got the lust, lust,  
For the criminal in you  
Don't trust me,  
Cause I'll be honest,  
You think you got it all,  
But i think you lost it,  
You're a faker, a fraud,  
A better one naturally.

We move at the sound of every single footstep,  
You're laying it down as you sing yourself awake,  
the same little songs tonight,

So let me make you familiar,

you say you're going up,  
I beg to differ,  
And now you're going down, down, down,  
in a hail of gunfire.

I'm on a hunt, hunt,  
For your chemicals,  
I got the lust, lust,  
For the criminal in you  
Don't trust me,  
Cause I'll be honest,  
You think you got it all,  
But i think you lost it,  
You're a faker, a fraud,  
A better one naturally

Naturally

So what you sayin'?  
Who you being'?  
Cause I'm about to make you take,

I'm on a hunt, hunt,  
For your chemicals,  
I got the lust, lust,  
For the criminal in you  
Don't trust me,  
Cause I'll be honest,  
You think you got it all,  
But i think you lost it,  
You're a faker, a fraud,  
A better one naturally.

You're a faker, a fraud,  
But a better one naturally.
