Bartender bartender
Bring me another drink
Scotch bourbon or whiskey
I don't wanna think
Bartender bartender
A gin and tonic please
I don't want to be here
And i want drinks for free
My baby hates me
Bartender bartender
Bring me another drink
Scotch bourbon or whiskey
I don't wanna think
Bartender bartender
A gin and tonic please
I don't want to be here
And i can't seem to leave
My baby hates me
Welcome to the church where the people think please
don't kill me
Welcome to the church where the people think im an
alcoholic
Bartender bartender
Bring me another drink
Scotch bourbon or whiskey
I don't wanna think
My baby hates me
