Maybe we could talk in the shower  
I bet we'd be gone in an hour  
Maybe we could leave all this behind  
Or we could just stay home

Maybe we could pool our money  
Maybe head out west to the country  
It'd be just like here but we'd be there  
Or we could just stay home

It's better than nothing  
It's better than nothing  
I'm feeling good, I'm feeling good, I'm feeling good for  
now  
Good, I'm feeling good, I'm feeling good for now  
But I know that by tomorrow I'll probably come around

Maybe we could stay out all night  
Do shots of whiskey and have a good fight  
Finally figure out who's really right  
I think I'll just stay home

It's better than nothing  
It's better than nothing  
Yeah, yeah, yeah it's better than nothing  
I'm feeling good, I'm feeling good, I'm feeling good for  
now  
Good, I'm feeling good, I'm feeling good for now  
But I know that by tomorrow I'll probably come around

For now things don't seem so bad  
I don't want to know if I will sink or swim my way to  
shore

Maybe we could talk in the shower  
I bet we'd be gone in an hour  
Maybe we could leave all this behind  
I think I'll just stay home

I'm feeling good, I'm feeling good, I'm feeling good for  
now

Good, I'm feeling good, I'm feeling good for now  
But I know that by tomorrow I'll probably come around

I'm feeling good for now, good for now  
Good for now, I'm feeling good for now  
But I know that by tomorrow I'll probably come around
