I never thought that one day,  
you'd become a part of my life.  
Still you were always with me,  
when I lay my head down at night.  
Could you really be here with me,  
and has my wish come true tonight.

Cause now, now it seems,  
I'm wide awake in this dream.  
And I'd do, I'd do anything, to stay here forever.  
And if this is a dream, I'm not gonna wake up.  
But if I'm awake, I won't close my eyes again.

Though I feels like I'm flying,  
I'm sure my feet are still on the ground.  
Open my eyes and its amazing,  
how my world has changed when I look around.  
It's like I've found the road straight to heaven and  
that road has led me right here to you.

Cause now, now it seems,  
I'm wide awake in this dream.  
And I'd do, I'd do anything, to stay here forever.  
And if this is a dream, I'm not gonna wake up.  
But if I'm awake, I won't close my eyes again.

Everything I'll ever need, is standing right in front of  
me.  
You've given me more than I've ever asked of you.  
Now all I can do is give forever to you.  
Cause now, now it seems I'm wide awake in this  
dream...

Cause now, now it seems,  
I'm wide awake in this dream.  
And I'd do, I'd do anything, to stay here forever.  
And if this is a dream, I'm not gonna wake up.  
But if I'm awake, I won't close my eyes again.
