Come away with me in the night
Come away with me
And I will write you a song

Come away with me on a bus
Come away with me where they can't tempt us
With their lies

I want to walk with you
On a cloudy day
In fields where the yellow grass grows knee high
Won't you try to come

Come away with me and we'll kiss
On a mountain top
Come away with me

And I will never stop loving you

[scats]

I want to wake up with the rain
Falling on a tin roof
While I'm safe there in your arms
All I ask of you is to come

Come away with me and we'll kiss
On a mountain top
Come away with me
And I will never stop loving you

Come away with me
Come away with me
Come away with me
