Baby let's cruise away from here
Don't be confused, the way is clear
And if you want it you got it forever
This is not a one night stand
So Let the music take your mind
Just release & you will find

You're gonna fly away
Glad you're goin' my way
I love it when we're cruisin' together
music is played for love,
Cruisin' is made for love
I love it when we're cruisin' together

Baby tonight belongs to us
Everything's right, do what you must
And inch by inch we get closer & closer
Every little part of each other yeah baby, yeah
So Let the music take your mind
Just release & you will find

You're gonna fly away
Glad you're going my way
I love it when we're cruisin' together
Music is played for love,
Cruisin' is made for love
I love it I love it I love it ohhhhhhhhh
I love it when we're crusin' together
